LEADERSHIP MESSAGE

LILY SAFANI
CEO

WILLIAM S. SLATTERY
Chairman of the Board of Directors

Dear Friends of Red Door Community,

Thank you so much for your continued support during a time when we are still living with COVID, and experiencing the lasting impact it has had on our lives and the people we love.

The successful transformation of our free in-person cancer support program to a virtual program fueled another important change. We are now *formerly Gilda's Club New York City* as of July 15, 2021. While the past year has been challenging in so many ways, one silver lining is that it has allowed us to offer our virtual services and reach more people impacted by cancer beyond the NYC metropolitan area. And while our name has changed with our expanded vision, our free program and the spirit of community that Gilda Radner cherished remain, as we move forward into the next 25 years.

Our Annual Impact increases as we serve more and more people living with cancer each year:

- 13,000+ virtual visits vs 10,000 annual in-person visits**
- 950 support groups**
- 820 educational workshops and lectures**
- 265 individual counseling sessions**
- 50% growth in participation since 2020**
- 30% increase in program offerings since 2020**

We have become experts in providing a welcoming community of support and a safe haven for everyone and anyone living with cancer and their families, whether it is in person or virtual. We continue to find new ways to add to our virtual program and in return our member participation continues to grow. We did not just survive this pandemic, we have thrived!

The pandemic also demonstrated the continued generosity of our donors when we needed their support most to meet the demands of the population we have been serving for the past 26 years. Our first in-person signature gala as *formerly Gilda's Club New York City*, raised over \$1 million! Thank you for your unwavering support to not only help to sustain us, but more importantly to help us grow each year as *formerly Gilda's Club New York City*, a place where no one has to face cancer alone. Not today. Not tomorrow. Not ever.

We never imagined that COVID-19 would still be with us, but our Red Door has always remained open, whether in person, or virtual, it is available to everyone and anyone impacted by cancer, 100% free of charge, thanks to your generous support.

Sincerely,

Lily Safani

WHAT OUR MEMBERS ARE SAYING ...

“

”

Red Door Community has given me an enormous feeling of community and a feeling that I have a place to go to for help and to help.

“

”

I am so grateful for the helping hand that Red Door Community lent to me after I lost my wife of 30+ years to cancer. It was among the most important life-lines to get back to a *new normal* – a phrase brought to our bereavement group long before the Covid pandemic.

Just want to thank everyone at Red Door Community for instituting and maintaining a terrific virtual program (so quickly), especially exercise and stress reducing sessions. The facilitators are terrific, welcoming and are successful in making each session a very worthwhile experience every time. THANK YOU VERY MUCH!

WHAT OUR MEMBERS ARE SAYING ...

“

”

Red Door Community is so important to me because after I got cancer, I learned to love again, I learned to support again, and I learned to live again.

Even now, while we meet virtually, I have access to resources I can't find anywhere else.

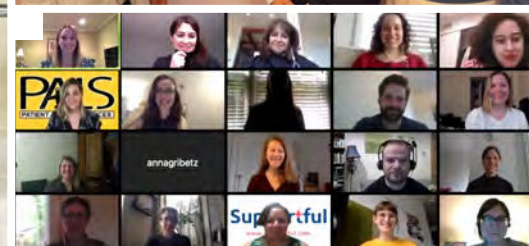

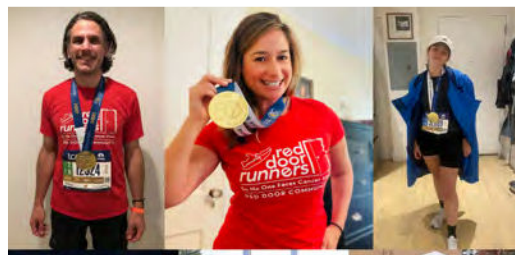

“

”

Excellent support, and breaks isolation and reduces fears.

Having an organization like this where the door is open, you see this Red Door and you come in and you are embraced and... immediately encouraged and your heart just smiles and knowing that you don't have to go to find the money to be able to access such invaluable activities and programs.

Gilda's Club NYC became Red Door Community! Our Associate Board meets virtually for the first time as Red Door Community. We connected virtually with professionals in the field of oncology at our Annual Oncology Professionals Networking Conference. Red Door Community & our members visit and ring the NASDAQ Closing Bell! Our annual Summer Cool Off with our Kings County Hospital Members and Chef Ann Ogden Gaffney took place virtually this year. Members were taught how to make flavorful and adaptive recipes that support a healthy lifestyle. CUNY-TV's Simply Science Host, Barry Mitchell, visited the Clubhouse this summer to interview one of our members and our CEO, Lily Safani. CUNY-TV featured Red Door Community in their Breast Cancer Awareness Episode in the Fall. The Clubhouse Art Room was renovated this year thanks to a generous donor. The Ink Well Foundation hosts virtual workshops for our youth members throughout the year. Ashley Stewart Collection contributed to Red Door Community in honor of Breast Cancer Awareness Month. CEO, Lily Safani meets with members at the Clubhouse for the first time since the pandemic. Magician Joshy K had our members amazed at our Red Door Hocus Pocus in October! Our Red Door Runners participated in the TCS NYC Marathon and raised over \$90,000 for Red Door Community!

*Where no one faces cancer alone.
Not today. Not tomorrow. Not ever.*

Formerly known as **Gilda's Club NYC**, RDC provides a welcoming community of cancer support to bring knowledge, hope and empowerment to anyone and everyone impacted by any type of cancer. Our innovative program is an essential complement to cancer care, providing support groups, educational lectures, healthy lifestyle workshops and social activities. Over 13,000 individuals are reached annually - adults, teens and children. Since 1995, when our iconic Red Door opened, we have been providing free cancer support in the spirit, courage and humor of our original namesake, Gilda Radner, the talented comedian and first cast member of *Saturday Night Live*, who passed away in 1989 from ovarian cancer. RDC is committed to expanding our program and broadening our reach to meet the growing needs of individuals living with cancer, in more places and in more ways than ever before.
