

# Red Door Runners: NYCRUNS Brooklyn Experience Half Marathon Program Overview and Terms & Conditions

## Program Overview

Red Door Runners, Red Door Community's official running team, offers individuals the opportunity to participate in the NYCRUNS Brooklyn Experience Half Marathon as a charity runner in support of Red Door Community's mission to ensure that no one faces cancer alone, with a particular focus on individuals and families across New York City.

Participants commit to training for and completing the NYCRUNS Brooklyn Experience Half Marathon while fundraising to help advance Red Door Community's programs and services.

## NYC Series Program Fee

Participants accepted into the Red Door Runners Brooklyn Experience Half Marathon program are required to submit a \$50 flat, non-refundable program fee.

This fee supports upfront program and race-related costs and is credited toward the participant's fundraising tally.

## Fundraising Commitments & Deadlines

Participants commit to raising a minimum of \$1,310 in support of Red Door Community.

- The \$50 program fee is credited toward the total fundraising tally
- Fundraising Deadline: April 26
- Participants agree to meet all fundraising benchmarks and the final deadline established by Red Door Community's team supervisor

Failure to meet the fundraising minimum by April 26 may result in removal from the program or fulfillment of the remaining balance by the participant.

## Eligibility & NYC Connection

Red Door Community primarily serves the New York City community, and priority consideration is given to applicants who live in the New York City metropolitan area or who demonstrate a meaningful connection to NYC, such as through employment, family ties, or long-term community involvement.

Applicants who do not have a clear connection to NYC or to Red Door Community's mission may still be considered on a limited basis.

## **Fundraising Approach**

Participants agree to actively fundraise through outreach to multiple individuals and networks. Fundraising minimums may not be met primarily through personal contributions.

Employer matching gifts may be applied to the participant's fundraising tally only after \$1,000 is already raised.

## **Required Costs & Fees**

Participants are responsible for required race organizer fees, which are paid directly to the race organizer and do not count toward fundraising minimums.

## **Credit Card Authorization**

A valid credit card is required to secure participation and will be collected via a secure, encrypted form.

If a participant does not meet the final fundraising minimum by the applicable deadline, Red Door Community reserves the right to charge the remaining balance to the credit card on file.

## **Team Participation & Engagement**

Participants agree to participate in proactive communication with their fellow teammates. Participants must remain responsive to regular check-ins from the Red Door Runners team supervisor.

Participants agree to wear Red Door Community-branded apparel during race events

Failure to remain engaged or responsive may result in forfeiture of a participant's place on the team.

## **Rolling Applications & Support**

Applications for Red Door Runners are reviewed on a rolling basis.

Red Door Community is committed to supporting runners throughout their fundraising journey and views participation in Red Door Runners as a partnership rooted in shared commitment to mission, community, and impact.
